Intro:

A second guitar can play the below riff, there are also other ways to play it, It's on the first 4 E sevenths.

The verses will have the exact same chord progression as the intro (from De de de de...)

Suggested Strumming:

d/ d/u /u d/u

There could be other options with the strumming but this one go well and is easy to do.

A small variation could be done on E7 and D (2 last chords of the verse) to accentuate the first 2 beats:

1st bar E7 or D

d/ d/ /u d/u

2nd bar E7 or D as normal

d/ d/u /u d/u

Nice song to play, no real difficulties ; -)
Good luck
Patrice.
