Stand by me – in the key of G (John Lennon version)

```
G                                Em
When the night has come and the land is dark
          C              D              G
and the moon is the only light to see
G                                Em
No I won't be afraid No I..I won't be afraid
          C              D                   G
Just as long as you stand,     stand by me
G
Darling Darling Stand, By Me
         Em
Oh Oh,Stand by me
C       D           G
Stand, Stand by me, Stand by me
```

If the Sky that we look upon should tumble and fall
and the mountains should crumble to the sea

I won't cry I won't cry No I..I won't shed a tear
Just as long as you stand by me stand by me

Darling Darling Stand By Me
Oh Stand by me
Stand by me
Stand by me

<u>Chord Progression</u> (8 bars repeated):

G | G | Em | Em | C | D | G | G |

Apart from C and D you have to play all the chords twice. Be careful there is 2 Gs on the start and 2 Gs at the end of the progression, so when looped, you will play 4 Gs in a row…don't play the Em too soon ;-)

<u>Rhythm:</u> (one bar)

d/(u) d/u x/u d/x
