## Get back – Beatles / Tabs arranged for acoustic

Here are the tabs that I arranged in order to play an acoustic version, it's easy enough when you're familiar with basic blues patterns. Be careful to play all the song in d/u strokes.

In the tabs below, I just put one intro, verse and chorus, but obviously, you have to follow the structure of the lyrics indicated on the previous page, you can skip the solo parts when playing with just one guitar.

Enjoy!!
