

The Kinks - Waterloo Sunset

Intro: A
D / A / G / G

1. Dirty old river, must you keep rolling, rolling into the night
People so busy make me feel dizzy, taxi lights shine so bright
But i don't... need no friends
As long as i gaze on Waterloo Sunset, i am in paradise
Every day i look at the world from my window
The chilly-chilliest evening time, Waterloo sunset's fine.

2. Terry meets Julie, Waterloo Station, every Friday night
But i am so lazy, don't want to wander, i stay at home at night
But i don't feel afraid
As long as i gaze on Waterloo Sunset, i am in paradise
Every day i look at the world from my window
The chilly chilliest evening time, Waterloo sunset's fine.

3. Millions of people swarming like flies round Waterloo underground
Terry and Julie cross over the river where they feel safe and sound
And they don't need no friends
As long as they gaze on Waterloo Sunset, they are in paradise
Every day i look at the world from my window
The chilly chilliest evening time, Waterloo sunset's fine.

Strum :

d d u u d u
1 2and and4and

Very nice easy tune throughout, if you're 2 guitars, you can play the theme on the intro, easy to find out by ear..

On the line: "Everyday..." G and G/F# have to be played with 2 quick downs, they have to be placed down at the end of the second bar of your G, or A (for second line, "chilly chilliest"), that last bar would be something like this:

d d u d d **d**(next bar on E chord)

Good luck!
